

Introducing *The Primate's Blend* – a uniquely blended, shade-grown, organic, Fair Trade coffee. Shade-grown coffee trees are grown under a shade canopy that is made up of a variety of trees; there are often companion plantings of tropical fruit trees. This means the plantations use a minimum of water and support local and migrating bird populations. These coffees are certified organic. No pesticide or artificial fertilizers are used. All our shade-grown coffees are certified under the Fairtrade standard. This means that the farmers receive better than market returns for their coffee and support from the Fairtrade organizations.

**The Primate's World Relief and Development Fund (PWRDF)** is the Anglican Church of Canada's agency for sustainable development, relief, refugees, and global justice. With the support of Anglican parishes across Canada, PWRDF makes financial and human resources available to support partners' initiatives and to promote knowledgeable actions of solidarity at home and around the world.

PWRDF strives to be a part of the outreach ministry of every Canadian Anglican parish and an expression for all Anglicans of their baptismal covenant to strive for justice and peace and to respect the dignity of every human being.

Since 1959, Anglicans in Canada have raised close to \$90 million for emergency response, sustainable development, refugee support, advocacy, human rights monitoring and more. Working with partners around the world, the Anglican Church of Canada is celebrating 50 years of helping change lives, change communities and change the world. Part of the 50<sup>th</sup> anniversary focus is raising funds to enable PWRDF to do even more in the next 50 years. All proceeds, approximately four dollars from every package of Primate's Blend coffee, will go directly to PWRDF for its ongoing work.
