

Greening Sacred Spaces All Inclusive Kits

The Diocesan Resources Centre has obtained six (6) Greening Sacred Spaces All Inclusive Kits. These kits are available for parishes to borrow by region, and there is one (1) kit available per region. **Please make sure that all resource material is kept in the kits when borrowed, as other parishes in the region will also be using them.**

Kits will be sent out to parishes who request to borrow them on a first come, first serve basis. Once a parish has received the kit, please keep it in your parish until another parish in your region requests to borrow it through myself, Karen Nowicki.

The Greening Sacred Spaces (GSS) kit includes the following:

- one Greening Sacred Spaces Video (an engaging and instructive 18-minutes overview looking at what several faith communities have done to green their sacred space)
- one Greening Sacred Spaces Guide to Developing a Green Team in Your Faith Community
- one Green Rule Poster
- one Green Rule Study Guide
- one Greening Sacred Spaces Brochure (outlines the Greening Sacred Spaces program on a single double-sided folded sheet)
- one Practical Guide to Improve the Energy Efficiency of your Religious Building (a thorough technical guide to green retrofits specifically designed to meet the unique needs of faith communities and their sacred spaces)
- one Renewing the Sacred Balance poster
- one Green Living Booklet (an eco-spiritual booklet full of energy saving and other 'greening' ideas for faith communities)

If you would like to **borrow** the Greening Sacred Spaces kit for your region please contact Karen Nowicki at 905-527-1316 ext. 380
or by email karen.nowicki@niagara.anglican.ca

If your parish would like order materials contained within the kit, or to purchase a kit, they are \$45 each and can be ordered from Faith & the Common Good through its website at www.faith-commongood.net/resources/index.asp
